

## Ballot Box Burlesque

Student election time comes up again next Wednesday. Probable forecast predicts that the same people will return to the polls to cast their votes for candidates, probably from their own organization.

A further survey will probably show that the fifty or sixty per cent that didn't vote will complain the following Wednesday for the election of poor student representatives.

Time and inconvenience are hardly valid excuses. With the polls opened from 9 a. m. to 3 p. m. in the student lounge, balloting takes only a brief time.

Indifference and an unwillingness by many students to participate in University activities are the greatest contributors to the "unvoting majority." The Student Council and Board of Student Publication representatives are in closest contact with administrative action. They are elected to represent the entire student body. They should be voted upon by the entire student body.

If you disagree with these facts, show up at the polls and prove that things have changed. If they have, it will be a novel twist. The Junior Prom all-school election brought 423 students to the polls two weeks ago. That is about 30 per cent of the total eligible voters.

## Arnold Society Names OU As National Headquarters

The University of Omaha was named National Headquarters of the Arnold Air Society for the coming year at the annual conclave held last Friday and Saturday in Omaha.

The name of the University of Omaha's Sabres, crack drill team and air police unit, was given national status. This is the second consecutive year that a University-sponsored group has won national recognition. The University's Angels' Flight, coed auxiliary, received national status at last year's conclave.

The group resolved to hire an executive secretary and stenographer-clerk and accepted the offer of the Air Force Association to locate the two employees in their office in Washington, D. C. The new resolution will be given a two-year trial period and will be voted upon at the seventh annual conclave.

### Washington Next Site

The Arnold Society established an executive board composed of all area commanders and the national commander, who will be chairman. The squadron commander of the Hap Arnold Squadron will be a permanent, non-voting member of the board since that squadron is a charter member of the AAS.

Delegates voted to hold the next conclave in Washington, D. C. The national headquarters will be on a one-year rotating basis, being lo-

## Amendment Adds To Ballot Stack

Students will vote on an amendment to the Student Council constitution when they go to the polls in the Student Lounge Wednesday.

A yes or no vote will be cast for the Typical Freshmen election proposal. Freshmen Student Council representatives Brad Pence, Pat Vogel and Bob Nielson, and Rae Johnson, Council members, drew up the proposal.

Only freshmen registered as full time students may be eligible to petition to be candidates for the election of Typical Freshmen.

One meeting the above requirements may petition for candidacy. The Student Council will pass on petitioned candidates.

Election of typical freshmen will be conducted from 9 a. m. until the beginning of the Freshman Mixer Dance, which hour will be set by the succeeding Student Council. The election will be conducted by the Council.

Names of both boys and girls will be placed on the ballot. Freshmen who present activity tickets at the polling place will place one vote for one girl and one boy. Boys will vote for a boy and a girl, and girls will vote for a boy and a girl.

Typical freshmen votes will be counted by a board of judges, Student Council members, under the supervision of Council sponsors.

Typical Freshmen will be announced at the intermission of the Freshman Mixer.

## Hard-Hitting Omaha Nine Wins Four Straight Games

By Ed Rath

In their first appearance of the season the O. U. baseball team turned back the Alumni 4-2. The game was played April 10 early in the morning to avoid conflict with the Alumni-Varsity football game that afternoon.

Don Hansen and Fritz Buglewicz got successive triples off Bud Bridenbaugh of the Alumni in the fourth inning to spark a three run Indian attack. Pitcher George Kostal of the Alumni allowed the final run in the sixth inning.

### Indians Dump Maroons

In their first game of the regular season the Indians dropped Morningside College of Sioux City, Ia., 17-8 on the Iowan's diamond.

The Indians had the Iowans shut out until the seventh inning when the Omahans defense collapsed and Morningside scored their first run.

Starting for the Omaha crew was Chris Salberg who struck out seven and walked two in the five innings he pitched. Bob Ladd replaced Salberg on the mound and struck out four batters while walking four in his two innings of work. John Stella finished the game allowing one walk.

### Indians Slug

The Indians collected 15 hits with outfielder Jim Swanson leading the pack with a double and two singles. Don Claussen picked up a double and a triple.

The OU "B" team got their first victory of the season defeating Luther College 28-3 at Wahoo, Neb. Apr. 12.

### Papooses Win

Pitchers Stan Schaetzle, Al Italis and Bill Gallup allowed Luther only five hits. The Papooses picked up 16 hits off the Luther pitcher.

Catcher John Morse led the Papoose attack with four hits in his five times to the plate. The Luther boys had a total of eight errors.

On Apr. 13 the Varsity grabbed its second victory of the season dropping Simpson 5-4 on the loser's diamond.

Chris Salberg went the distance for the Indians. He struck out four batters, walked two, and allowed 12 hits.

### Malnack Leads Hitting

Catcher Wayne Malnack led the hitting for the Omahans with a homer and triple. Shortstop Bill Steck smashed out two doubles and a single in five trips to the plate. Successive doubles by Steck and Don Claussen in the first inning gave the Indians the lead they never relinquished.

The game with Midland Apr. 15 was postponed because of rainy weather.

On Apr. 17 the Indians made their debut on their home diamond against Hastings College. The Omahans came out on top 18-6.

### Stella Wins

John Stella was credited with the win although he only worked three innings. Besides his pitching performance, Stella turned in a good hitting display. He doubled and singled, driving in four runs. Cal Helme collected three singles in four trips to the plate.

### OU Drops Simpson

Omaha U handed Simpson a 1 to 0 loss Apr. 20. It was the second win over the Simpson team, who again fell one run short.

Unassisted double plays in the eighth and ninth innings halted Simpson's try for a late rally.

Third baseman Fritz Buglewicz in the eighth and shortstop Bill Steck in the ninth came through with the twinklings.

The Indians only run came in the third inning, when Don Claussen hit the first of his two triples.

Winning pitcher Chris Salberg fanned two and walked one. Salberg pitched a masterful game, and it brightened OU's look on the pitching problem. Rookie John Stella has been a pleasant surprise on the mound and at the plate.

## Omaha Track Team Loses to Washburn; Places at Vermillion

During the past two weeks Coach Ernie Gorr's track team has run up against some rough competition.

Washburn University handed the Omaha track team a 79½ to 51½ setback on April 13. The only bright spot for Indian cindermen were the individual records set by Bernie Lainson in the half mile, and Bill Barnes in low hurdles, and the speed of the mile relay team.

The Omaha track squad placed second in a field of 17 at Vermillion, South Dakota, on April 10. Bernie Lainson was one of the individual standouts in the meet, along with the mile relay team.

OU failed to place at the Kansas Relays on April 17.

The Omaha team would be terrific if they could pick up more points in the weight department.

## OUWI Plans Sport Play Day

Representatives from Omaha and surrounding high schools will participate in an OUWI Play Day Saturday at the University. The Centennial Sports Pow-Wow will begin at 9:30 a. m. with registration.

Team sports—softball, cageball and volleyball—will begin at 10 a. m. Individual sports—badminton, tennis, track and field—will begin at 1 p. m. There will be a luncheon and entertainment at noon.

Mildred Svagera is chairman of the annual event.

Today is the last day to sign for table tennis singles and doubles tournaments. Members may also sign for the tennis singles and doubles tournaments.

### Orchestra Exhibition

Orchestra members will present a modern dance technique exhibition to the GAA group at Central High School next Tuesday. "The group will also present a number," said instructor Miss Mary Lou Niebling, "to illustrate techniques used in composition."

## Intramural News

Because of Easter vacation competition in the Intramural sports program was slack the past week.

The first section of the Intramural outdoor track meet was run Apr. 12. Intramural Athletic Director Ernie Gorr has set Apr. 29 to run the second section.

Events that will be run Apr. 29 are: Shot put, Discus, Javelin, 880 run, 220 high hurdles, 220 dash, Mile relay, and 880 relay.

Due to lack of entries in the softball league there has been no games played. Intramural Athletic Director Ernie Gorr asked that all Intramural managers turn in their respective teams entries as soon as possible.

## Cindermen Enter Drake Relays Today

Five members of Omaha University's track squad are at the Drake Relays today entering the hurdles and the mile relay.

Bob Gerdeman and Bernie Lainson are running the 440-yard hurdles; Bill Barnes is in the 120-yard high hurdles, and the quartette of Bob Barnes, Wayne Larsen, Bernie Lainson and Bob Gerdeman will compete in the mile relay.

Gerdeman One Second Short Gerdeman came within a second of winning a gold watch at the relays last year in the 440-yard hurdles. He will face rough opposition from teammate Lainson, who has beaten him once in the practice sessions.

The mile relay team is composed of the same four who placed fifth in the college event last year.

The entire track squad faces one of the roughest opponents of the year next Tuesday when the South Dakota State Jackrabbits invade the Indian cinders.

### Indians Meet Jackrabbits

This will be the first encounter between the two schools in track. South Dakota had one of the best records of any college during the 1933 season. The team highlighted the year by winning the NALA meet at Abilene, Texas.

Coach Jim Emmerich has strong depth in the distance events with Leo Hamrich in the two mile, Jack Pearson, Russ Nash and Arlin Patrick in the mile.

### Competition for Barnes

Indian Hurdler Bill Barnes will face rough opposition from South Dakota State's record holder, John Popowski. Three other men provide depth in the hurdles with Les Day, Cliff Pickering and Bill McDonald.

Bernie Lainson, Indian stalwart in the 880 yard run may be shifted to the mile to offset South Dakota's depth. Sprinters Don Sterba, Emil Radik, and Reggie Fellows should provide OU with a majority of points in the 220, the 100 yard dash and some of the relays.

LaRue Garrett and Roger Dunbar are due to break their "slump" which has hit them in outdoor competition. The two juniors have failed to come near their good indoor marks.

The weights and other field events will begin at 2:30 and no admission will be charged.

## Varsity Hits Strong Alumni Team 23-19

Omaha University's football team held off a late Alumni rally, and racked up a 23 to 19 victory Apr. 10.

Close to 3,000 fans showed up for the first Varsity-Alumni game which offered professional football star Joe Arenas as the main attraction.

Hard running by Bill Englehardt, Jerry Tannahill, Pete Rigatuso and Bob Wheeler sparked the Varsity on offense. Frank Hahn, Ed Baker and Dick Boyer were outstanding on the line for the Varsity.

Arenas lived up to expectations as the Alumni leader. He was deadly with his passes and he showed signs of fancy running. He had a 92-yard touchdown run called back.

Coach Lloyd Cardwell was pleased with the showing of his team, and the whole outcome of the first Alumni-Varsity contest.

## South Dakota Meets OU Tonight At Muny

By Don Digilio

Omaha University will risk its undefeated baseball record against the South Dakota Jackrabbits tonight at Muny Stadium.

Coach Erv Huether's Jackrabbits took on all sizes and types of competition last year, including the Northern League's Sioux Falls Canaries, and came out with a 6-4 mark for the season.

But this year South Dakota has lost six lettermen, and what looked like a promising picture at the end of last season has turned into a doubtful one for coach Huether, because several lettermen and promising candidates have dropped out of school.

Bob Ehrka, ace righthander for the Jackrabbits, will probably get the nod. The success of the season may depend on his right arm. The only other experienced pitcher returning is Don Nehowig, who won his only start last season.

Two of last year's regular outfielders for the South Dakota team are returning. They are Jack Zimmer and Curt Olsen, both three time letter winners. Zimmer led the team in RBI's last year, and Olsen led the team in hitting for the last two years.

Tomorrow afternoon the same two teams will be at it again. The game will be played on the new OU field at 1 p. m.

## Tennis Team Nets 3-3 Tie

After dropping three straight matches, and all by shut-outs, Omaha University's netmen managed a 3-3 tie with Midland last Tuesday. On their recent road trip the Indians were shut out by Washburn University of Topeka, Kansas 6-0; downed by Kansas University 6-0 and blanked, 6-0 by Kansas State. Today Grinnell College will oppose the Indians on the O. U. courts.

### Golfers

The Linksman fared slightly better winning two of five matches. On Apr. 9, the Indians dropped a 15½-5½ contest to Wichita University but rebounded the following Tuesday to dump Washburn University, 19-2. They then absorbed defeats at the hands of Kansas University, 8½-4½ and Kansas State University, 9½-2½. Last Tuesday the Indians blanked Midland, 12-0. Today Omaha will be host to Kansas University. The match will be played at the Omaha Country Club.

## Rising Prices Don't Control Economist's Food Budget

In these days of rising prices and with the high cost of living, Miss Margaret Killian, head of the home economics department, is blessed with a talent that many a housewife could put to good use.

Miss Killian can feed a family of three or four with variety of foods for the sum of \$7 a week. The \$7 pays for everything except milk. "Of course on holidays and special occasions the grocery bill goes up, but not too much," she said.

### Buy Wisely

"The secret," says Miss Killian, "is being able to buy wisely and prepare plain foods in an unusual and different manner." Instead of buying meat in small quantities, she suggests buying beef by the side and pork by the loin.

Miss Killian also advocates using extenders such as rice, bread crumbs, and cereal whenever possible. She also suggests glorifying inexpensive desserts. One of her ideas was to add mint flavoring to mayonnaise or pears for a cool summer salad.

Miss Margaret Killian.

Another meal spicer is crepe suzettes, delicate pancakes rolled around tangy orange sauce, which are considered fancy but can be made for pennies. Miss Killian suggests using all the "impossible leftovers"—to make delicious casseroles.

Miss Killian said the price of washing materials such as detergents and soap were also included in the \$7. But they're not included in the menu!

## arOUnd Unusual Personality Found In Ideal Omaha U Student

Ode?  
The sky is blue,  
Green grass has come,  
The birds sing sweet,  
Cause spring has sprung.

My nose is red,  
Do I look dumb,  
For along with spring,  
Hay fever's come.

### Patience

The 60th and Dodge bus driver was receiving the usual hard time from the passengers. The children were exceptionally loud, the motorists were behaving normally, exercising their maniacal tendencies, and the people were all crowded at the front of the bus. So, when the middle-aged lady poked him in the side and asked, "Is this the University?" He replied, "No! That's my ribs!"

### Borrowed

A good definition of mixed emotions is.  
Watching your mother-in-law drive over a cliff in your new Cadillac.

The cancer death rate would drop 40 per cent if every practicing physician this year discovered only one early curable case of cancer, the American Cancer Society points out.

Dear Feature Editor:

You asked for a feature on an unusual personality around the University?

I've found him. I had to dig and dig, but I finally found the most unusual person seen in these halls. Let me describe him to you.

He isn't much different than most in looks. He is of average height and build. Although Miss America might not consider him a suitable escort for all her beauty, many a lass on the OU campus would like to be seen riding with him in his battered but respectable '47 jalopy.

As a student, he manages to hit the Dean's Honor Roll every semester. Although many of his teachers consider him a brilliant student, he does not stand out in the classroom as a "brain."

### His activities?

A well-known figure around the Fieldhouse, this unusual personality has won letters in two sports. If news reports mention him after a game, they say he did a substantial job of backing up the star performers. He maintains that he doesn't play for glory, but for the fun of it. He likes "the feeling

that permeates the locker room after a good, well-played game."

This figure belongs to three campus organizations. One is social; one is departmental and one is honorary. He holds offices in two of the groups and is an active committee member in the third.

In his college career, he has held one class office, which, he says, gave him wonderful leadership experience. He has worked on the year book as a section editor.

### What does he do after school?

A part time job three days a week gives him spending money. A full-time job during the summer months pays for his tuition and books.

His hobbies include sports reading, science fiction and keeping his car in good condition?

Who is this mysterious personality of the week?

Well, dear Editor, you must have seen him around. He's the Ideal Student on campus. I won't tell you his name, for fear that he may have to change schools next semester.

Sincerely,  
Freshman Reporter.

# IT'S ALL A MATTER OF TASTE

They're all the rage with college kids. With gals and men alike. So round, so firm, so fully packed—I speak of Lucky Strike!

Barbara Bennett  
Lawrence College

When you come right down to it, you smoke for one simple reason...enjoyment. And smoking enjoyment is all a matter of taste. Yes, taste is what counts in a cigarette. And Luckies taste better.

Two facts explain why Luckies taste better. First, L.S./M.F.T.—Lucky Strike means fine tobacco...light, mild, good-tasting tobacco. Second, Luckies are actually made better to taste better...always round, firm, fully packed to draw freely and smoke evenly.

So, for the enjoyment you get from better taste, and only from better taste, Be Happy—Go Lucky. Get a pack or a carton of better-tasting Luckies today.

The cigarette that really tops the campus hit parade is Lucky Strike. Enjoy the taste because it's better made!

When buddies ask me for a smoke, What do they get from me? "Here's finer smoking, pal," I say, "Cause L.S./M.F.T.!"

A comprehensive survey—based on 31,000 student interviews and supervised by college professors—shows that smokers in colleges from coast to coast prefer Luckies to all other brands! The No. 1 reason: Luckies' better taste!
